

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 152**

January 26, 2009

**SUMMARY OF BILL:** Requires any employer receiving a Tennessee Job Skills Grant to provide the following additional information to the Department of Economic and Community Development (ECD) after completion of a project: the outcome measurements for the project, and the actual cost per person enrolled, trained, hired, and retained in employment.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

Assumptions:

- Employers are currently required to provide: (1) the number of participants in the project who are employed at the end of the project, (2) the number of participants in the project who are not employed at the end of the project, (3) the starting wage of each participant employed, and (4) any other information required by ECD.
- According to ECD, there would be an increase to departmental expenditures for including the two new requirements on the Tennessee Job Skills application form. However, any such increase to state expenditures is estimated to be not significant.
